If we are able to help you, we will offer you a grant of up to £250 for treatment costs. Your authorised practitioner will need to send their invoices to us for payment. All payments are made direct to the practitioner. If it is necessary for you to receive further treatment, we will need a letter of recommendation from your practitioner and we will consider an additional grant of up to £250 for further treatment.

Student Health Scheme

Application Guidelines

We can help with the costs of treatment for any physical or mental health issue that affects your playing and/or performance.

We can accept applications from those who are British or Irish. Other nationalities must have been resident in the UK for at least the last three years prior to the date of application.

At present we can only help those studying a full-time music-based degree, specialising in performance, at undergraduate or postgraduate level.

We can only offer you help with the costs of your treatment whilst you are a full-time student.

Please note that the MBF cannot help with the costs of routine healthcare.

Please see the MBF website for more details: www.mbf.org.uk/studenthealth

Application Process

1. Download an application form and ask your institution to sign and stamp the confirmation section. N.B. This does not constitute acceptance on to the scheme, but simply confirms your enrolment in full-time study.
2. Contact BAPAM on 0845 602 0235 to register as a patient and to arrange an appointment at your nearest clinic.
3. Please take your application form to your appointment. The BAPAM consultant will discuss your problem with you and recommend the most suitable treatment. They will make notes on your form.
4. You are now ready to submit your application to the MBF. You will hear back from us within five working days.
